

Add Spice to the Way You Relate to STa”M

Some suggested topics for Shiurim, discussion groups and lectures, to be used as a base to structure a Torah project.

The unique Mitzvot of Sefer Torah, Tefillin and Mezuzot have always fascinated us. We fulfill these commandments to the best of our ability, yet the depth is so great that at most times we only scratch the surface. Infuse your community with the opportunity to learn and grow.

Lecture Topics:

- Torah sparks and the wonders of the letters
- All airplanes have accurate data in their black boxes. What's in yours?
- Rest Assured – Mezuzah. The *ultimate* security system.
- Hebrew letters – G-Ds blue print of the world.
- If it's an "original" Mezuzah on sacred parchment....If an ordained and dedicated scribe writes it in Torah script...Then it identifies, sanctifies and protects your home with its blessing.
- The Six Day War, won by the Mitzvah of Tefillin?
- What can make cows skin holy? – A Torah!
- Have you checked your Mezuzot lately...?
- Come see the inside (or recipe) for Tefillin
- The Torah – It's relevance in our days
- Did you know G-d stands at your door?
- Tefillin – our red telephone to upstairs.
- It takes 22 Lines, 713 Letters, 4649 Laws to write ONE Mezuzah
- How authentic is our Torah?
- Tefillin – Just do it...
- The everlasting Torah
- What makes a Torah holy?
- Is your Mezuzah a blessing?
- The computer vs. the art of the Scribe

When your child asks
